Executive Women International Awards Scholarships to Local High School Juniors

Executive Women International (EWI) Knoxville Chapter recently awarded scholarships to two area high school juniors. Shelbi Bias, a junior at Gibbs High School, and Christina Lulich, a junior at Gatlinburg-Pittman High School, received the awards at a dinner at Cherokee Country Club.

The students were selected through a competitive process. The first place winner is eligible for an additional award at the EWI Corporate level.

EWI hosts the Pilot/Xinergy Golf Classic each April to raise funds for its scholarship program.

L to R: Shelbi Bias, Christina Lulich

EWI is a non-profit organization of leading business, service and professional companies. EWI brings together individuals from diverse businesses for the purpose of connecting and promoting member firms as well as enhancing personal and professional development.
